

**Notice of Public Hearing**  
**(Pursuant to 401 KAR 5:006 Section 5, KRS 424 and 40 CFR 25.5 & 6)**

Interested citizens of LaGrange and Oldham County are invited to a public hearing sponsored by the LaGrange Utilities Commission. The meeting will start at 6:30 P.M. on Monday, October 10, 2011 in the LaGrange Utilities Commission new office, 412 East Jefferson Street in LaGrange.

The LaGrange Utilities Commission has completed an update to its Regional Wastewater Facilities Plan. The Facilities Plan update details the Recommended Plan for wastewater management within the LaGrange planning area. The planning area comprises all the City of LaGrange and some area just outside of the city limits. The recommended plan represents the alternative with the lowest present worth cost, a minimal environmental impact, and the highest capability for implementation. The recommended plan calls for wastewater to be collected and treated at the LaGrange wastewater treatment plant on Moody Lane. The draft plan will be available for review at the LaGrange Utilities Commission, 412 E. Jefferson St. LaGrange, KY 40031 during normal business hours from September 23 to October 24, 2011.

The purpose of the public hearing is to discuss the draft plan and its contents. Verbal and written comments will be accepted at the public hearing. Written comments concerning the plan will also be accepted up to October 24, 2011. Written comments should be addressed to John Bennett, Director, LaGrange Utilities Commission, 412 E. Jefferson St. LaGrange, KY 40031.

For publication in The Oldham Era on September 22, 2011.
